

## **LMT Mercer Group, Inc. acquires Stallion Fence Accessories, Inc.**

*Expands opportunities to serve hand railing, fence, and deck industry.*

Lawrenceville, NJ – LMT Mercer Group, Inc. announced today that it has acquired Stallion Fence Accessories, Inc. from Marwit Capital, a private investment firm headquartered in Newport Beach, CA.

The purchase will expand LMT Mercer Group’s manufacturing utilization and increase product offerings in the building products market, allowing LMT to meet the growing needs of existing and potential new customers.

“Stallion Fence Accessories has a solid customer base, an outstanding track record and reputation for its products” said LMT’s President Tony Lesenskyj. “The business combination presents a strong and competitive platform to achieve our strategic goals, including a commitment to customer satisfaction”.

“Our acquisition strategy has been to target successful businesses that can add to our capacity or enhance our product offerings in strategic areas,” said LMT President Tony Lesenskyj. “Stallion presented us with that opportunity, and more.”

Stallion was founded in 1997 by Mike Burkart and was acquired by Marwit Capital in April 2008.

Customers rate LMT highly in terms of product, services, and overall value. The company is perceived as a top supplier in the industry as a result of their dedicated employees and strong leadership.

LMT Mercer Group, Inc was formed in 1987 and supplies the vinyl and wood composite fence and deck industry with high quality component parts. Today, LMT is the largest manufacturer of fence, deck and railing accessories in the US and Canada, offering more than 950 products from which to choose. Headquartered in Lawrenceville, NJ they operate manufacturing plants in New Jersey and Ohio, with distribution facilities in Ohio, New Jersey and Utah.
