

ENJOY THE OUTDOORS

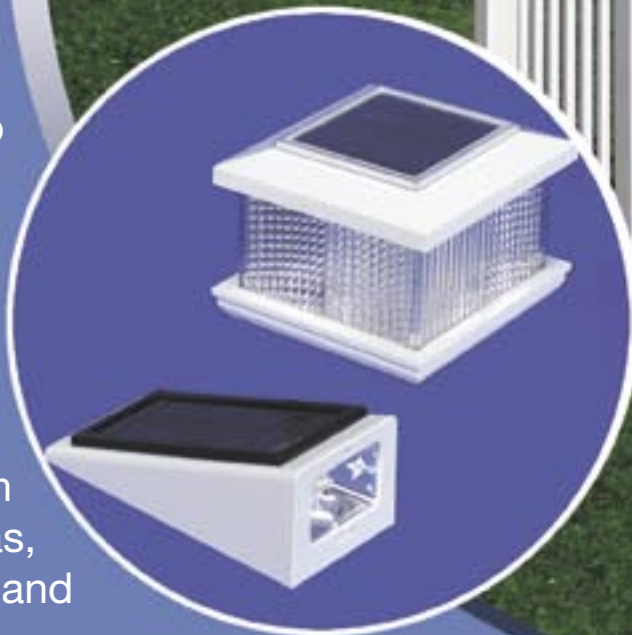

With summer here, homeowners are considering new outdoor living options. LMT offers a number of choices that enhance the look of yards and decks with the Garden Jewelry and Solar Lighting assortments.

When customers purchase Garden Jewelry, they can be confident that their products will hold up to adverse weather conditions. Our assortment is made of thick, professional-grade vinyl so they won't warp, dent, shrink, chip or crack. We also offer a lifetime warranty on every Garden Jewelry product we sell. The collection includes a variety of arbors, pergolas, mailboxes, planters, flower boxes, and more.

New for summer are the Pergola End Caps which allow you to create custom pergolas and deck covers. They are available in four sizes.

Enjoy the summer nights by surrounding your deck and yard with Galaxy Solar Lights. Our Galaxy Solar Post Cap naturally fits 5" posts, but we've updated our product to include a 4" adapter with every light. The popular Galaxy Wedge Accent Light adds just the right amount of light to railings, arbors, mailboxes and more.
